Finishing Sample Display

NEW! Finishing Sample Display

The Finishing Sample Display measures less than 2 ft wide and 2.5 ft deep. This showroom showstopper holds 6 large, double-sided stain and paint samples which display the durability of the fiberglass door along with the quality of the Seal-Rite Finishing System.

Customers will be able to quickly choose a color for their entryway with these color samples. The larger display areas highlight the graining and enable your customer to visualize how the rich stain and paint colors will look on their entryway door.

Each Finishing Sample Display includes:

1. SRDRSAMPLERACK: Display Rack
2. SRDRFINISHSYSTEM: Set of 6 Samples

List Price Each: \$125.00

Lead Time: 2 Weeks
