# SEAL-RITE SHIELD SYSTEM

## NEW! Shield System

The Seal-Rite Shield System includes four layers of protection for unfinished units. The door cover prevents scratching during shipment and can remain on the installed unit until the entryway is ready to be used. The edge and hinge covers protect the brickmould and jambs from additional dents and scratches during shipment and installation. Shield your investment and include the premium packaging to your doors for added security today.

### Each Shield System includes:

1. Door Cover
2. Left Edge Cover
3. Right Edge Cover
4. Hinge Covers

### List Price Each:

Single Units	<b>\$9.00</b>
Patio Doors	<b>\$11.00</b>
Units with Sidelites	<b>\$11.00</b>

Add at time of order. Contact your Representative for more information.
